Junction City, KS 66441  
(785) 238-3103 ext.436

FOR IMMEDIATE RELEASE:

The City of Junction City is saddened by the tragic news of the death of the Bramlage family. It is difficult to express the sorrow when a tragedy such as this impacts an entire community. The Bramlage Foundation has supported many charitable projects in our City and provided college scholarships to kids in our area. The Dorothy Bramlage Public Library enriches the lives of our residents, specifically our children. Becky was the School Board President and spent numerous hours working to make USD 475 the best school district possible. Ron's company provided jobs and was responsible for bringing outside businesses to Junction City. They loved the Junction City area and supported many projects for kids in our community and St. Xavier's Catholic Church. The Bramlage family served as an example of exemplary public service. We feel fortunate that they were a part of Junction City and offer our heartfelt condolences to their family members and friends.
